

"PROMOTING THE CONSTRUCTION INDUSTRY TO AMERICA'S YOUTH"

SAVE THE DATE!

COLORADO CONSTRUCTION CAREER DAYS OF SOUTHERN COLORADO

Thursday, September 23, 2010

Tab Construction

7720 Electronic Drive
Colorado Springs, CO

We invite you and high school students (grades 11-12) in your school district to attend one of the 7th annual events in Colorado. This year a 3rd event will be held in Colorado Springs in late September. The purpose of Construction Career Days is to broaden student knowledge about the multi faceted opportunities available and to increase the number of men and women entering the construction industry

Students spend the day, from **8:30 a.m. to 1:00 p.m.** engaging in hands-on events, stationary equipment activities, and technology demonstrations. Lunch and door prizes are provided.

Please respond to this e-mail as soon as possible and let me know if you will or will not participate this year! If you are planning to send students, let me know how many you plan to send. We will then provide you with additional information such as your assigned participation date and registration details.

Be sure to check out www.coloradoconstructioncareerdayssoutherncolorado.com

You will also be able to view our video on this website.
